

Curriculum Vitae

David J. Terris, M.D., F.A.C.S.

BIRTH:

(b) (6)

PRESENT POSITION:

Porubsky Professor and Chairman
Department of Otolaryngology/Head and Neck Surgery
Georgia Regents University
1120 Fifteenth Street, BP-4109
Augusta, Georgia 30912-4060
Ph # 706-721-6100 Fax # 706-721-0112
e-mail: dterris@gru.edu
web page: www.gru.edu/otolaryngology/terris.htm

**ACADEMIC
BACKGROUND:**

Cornell University, Ithaca, NY (1980 – 1984)
B.A. with Distinction in Biology, 1984

Duke University Medical School, Durham, NC (1984 – 1988)
M.D. degree, 1988

Harvard University School of Public Health, Boston, MA (2001)
Healthcare Leadership Program (no degree)

**SURGICAL
TRAINING:**

Stanford University, Palo Alto, CA (1988 – 1993)
Resident, Otolaryngology/Head and Neck Surgery

Stanford University, Palo Alto, CA (1993 – 1994)
Fellow, Advanced Head and Neck Oncologic Surgery:

**BOARD
CERTIFICATION:**

National Board of Medical Examiners (1989) (b) (6)
American Board of Otolaryngology (1994)

LICENSURE:

Georgia (2002) #52028 (exp 5/31/2015)
South Carolina (2006) #28716 (exp 6/30/2015)
California (1989-2005) #G066725
Hawaii (2000-2008) #MD11222
DEA (1989) #BT1989891 (exp 11/30/2016)
NCI Investigator (1996) #24663

PROFESSIONAL WORK HISTORY:

Assistant Professor of Surgery, Stanford University (1994 – 2001)
Associate Professor of Surgery with Tenure, Stanford University (2001 – 2002)
Professor and Chairman of Otolaryngology, Georgia Regents University
(2002 – present)

ADMINISTRATIVE EXPERIENCE:

Co-Director, Stanford Fellowship in Head and Neck Oncologic Surgery (1998 – 2002)
Co-Director, Stanford University Fellowship in Sleep Surgery (2000 – 2002)
Director, Stanford University Residency Program (2001 – 2002)
Director, Georgia Regents University Residency Program (2002 – 2004)
Director, Georgia Regents University Endocrine-Head and Neck Fellowship (2004 – present)

HONORS:

National Merit Scholarship – 1979
Alpha Lambda Delta Freshman Honor Society – 1981
Phi Beta Kappa – 1984
Phi Kappa Phi – 1984
Alpha Omega Alpha – 1986
Outstanding Senior Investigator Award, California Society of Plastic Surgeons – 1998
Best Doctors in America – 1998, 2001, 2003, 2004, 2005, 2006, 2007, 2009, 2011, 2012, 2013, 2014
Harris P. Mosher Award – 2000
Honor Award, AAOHNS – 2000
Board of Governors (AAOHNS) Leadership Development Program – 2002
Singapore Government Expert – 2002
America's Top Surgeons – 2004, 2005, 2006, 2007, 2008, 2009
America's Top Physicians – 2006
America's Top Doctors for Cancer (Castle Connolly) – 2007, 2008, 2009, 2010, 2011, 2012
America's Top Doctors (Castle Connolly) – 2008, 2009, 2011, 2012, 2013
Distinguished Service Award, AAOHNS – 2007, 2012
Top Ten Reviewer, American Academy of Otolaryngology-HNS – 2009
Gerald S. Gussack Memorial Award, Georgia Society of Otolaryngology – 2013

TEACHING AWARDS:

Henry J. Kaiser Family Foundation Award for Excellence in Clinical Teaching (1997)
Selected by Stanford Medical Students
Resident Teaching Award (2002)
Selected by Stanford Otolaryngology Residents

MEDICAL SOCIETIES:

American Academy of Otolaryngology/Head & Neck Surgery (1987 – present)
Radiation Research Society (1992 – present)
Society of University Otolaryngologists-Head and Neck Surgeons (1995 – present)
American Sleep Disorders Association (1995 – 2003)
American Society for Laser Medicine and Surgery (1995 – 2003)
American College of Surgeons (1996 – present)
American Society for Peripheral Nerve (1996 – 2003)
American Head and Neck Society (1997 – present)
Federation of American Societies for Experimental Biology (2000 – present)
American Bronchoesophagological Association (2000 – present)
Triological Society (2000 – present)
American Laryngological Association (2004 – present)
American Association for the Advancement of Science (2000 – present)
Georgia Society of Otolaryngology (2002 – present)
Richmond County Medical Society (2005 – present)
International Association of Endocrine Surgeons (2006 – present)
American Thyroid Association (2008 – present)
American Association of Clinical Endocrinologists (2011 – present)

MEDICAL SCHOOL COMMITTEES:

Stanford University

Medical Scholars Program Committee (1993 – 1997)
Committee on Courses and Curriculum (1994 – 1998)
Chairman, Otolaryngology/Head & Neck Surgery Operations Improvement Task Force (1995)
Co-Chairman, Perioperative Quality Improvement Committee (1996 – 2000)
Surgery Quality Council (1997)
OHNS Consultant, Stanford Orbital Program (1997 – 2002)
OHNS Consultant, Stanford Athletic Program (1998 – 2002)
Senator-At-Large, Faculty Senate (Elected office, 1999 – 2001; re-elected, 2002)
Physician Computer Advisory Committee (2000 – 2002)
Dean's Task Force on Medical Education (2001 – 2002)

Georgia Regents University

Cancer Committee (2002 – 2007)
Cancer Executive Committee (2002 – 2007)
Internal Advisory Committee, NIH Research Infrastructure Planning Grant Proposal (2003)
Chairman, Hospital Operations Improvement Committee (2003 – 2005)
Chairman, Operating Room Resource Subcommittee (2003 – 2006)
Surgical Chiefs Committee (2003 – 2006)
Tissue Bank, State of Georgia (2003 – present)
RDP Ad-Hoc Committee (2003 – 2004)
Physician's Practice Group Nominating Committee (2004 – 2005)
Chairman, Ob/Gyn Chair Search Committee (2004 – 2005)
OMS Chair Search Committee (2004 – 2005)

ELECTED OFFICES:

Triological Society

Chairperson, Nominating Committee, Western Section (2002 – 2003)
National Nominating Committee Alternate (2002 – 2003)
National Nominating Committee Alternate (2005 – 2006)
Council Member (At-Large) (2005 – 2008)
Nominating Committee, Southern Section (2009)
Secretary-Treasurer, Southern Section (2010 – 2016)

American College of Surgeons

Governor (2002 – 2008)
Chairman, Advisory Council for Otolaryngology (2008 – 2012)

Association of Academic Departments of Otolaryngology

Council Member (2004 – 2006)

Georgia Society of Otolaryngology

Board of Directors (2004 – 2012)
Secretary (2007 – 2008)
Treasurer (2008 – 2009)
President-Elect (2009 – 2010)
President (2010 – 2011)

ACGME Residency Review Committee

Member (2013-2018)

Georgia Chapter, American Association of Clinical Endocrinologists

Board of Directors (2014)

NATIONAL COMMITTEES:

American Academy of OHNS

Ethics Committee (1995 – 2001)
Sleep Disorders Committee (1998 – 2001)
Facial Nerve Disorders Committee (1998 – 2001)
Head and Neck Oncology Committee (2002 – 2006)
Telemedicine Committee (2002 – 2005)
Sleep Disorders Committee, Consultant (2003 – 2005)
Endocrine Surgery Committee (2006 – 2013)

American Head and Neck Society

Coding Initiative Committee (2001 – 2002)
Education Committee (2002 – 2005, 2007 – 2009)
Finance Committee (2008 – 2012)
Publications Committee (2010 – present)
Endocrine Committee (2010 – 2013)

NATIONAL COMMITTEES (cont'd):

American Head and Neck Society (cont'd)

Relative Value and CPT Advisory Committee (2012 – 2015)
Advanced Training Council (2012 – 2017)
Fundraising Committee (2013 – present)
Ad-Hoc Development Committee (2013 – 2016)

The Triological Society

Thesis Committee (2005, 2006, 2007, 2009)
Publishing Committee (2007)
Ad-Hoc Finance Committee (2013)

Other

American Board of Otolaryngology, Task Force on New Materials (2000 – 2003)
Practice Parameters Committee, American Academy of Sleep Medicine (2003 – 2004)
Membership Committee, Society of University Otolaryngologists (2004 – 2007)
Nominating Committee, Association of Academic Departments of Otolaryngology (2007)
Committee on Video-based Education, American College of Surgeons (2008 – 2015)
Surgeon Communication Committee, American Thyroid Association (2010 – 2012)
Program Committee, American Association of Endocrine Surgeons (2010 – 2013)
Endocrine Surgery Scientific Committee, American Association of Clinical
Endocrinologists (2013 – 2015)
Clinical Affairs Committee, American Thyroid Association (2013 – 2014)

PROGRAM ADVISORY COMMITTEE:

Triological Society (Annual Meeting) 1999
Triological Society (Western Section) 2002
American Head and Neck Society (2006 – 2007)
Triological Society (Annual Meeting) 2008
American Laryngological Association (Annual Meeting) 2008
American Academy of Otolaryngology-Head and Neck Surgery (2003-2011)
Triological Society (Southern Section) 2011
American College of Surgeons (2013-2014)
Triological Society (Combined Sections) 2015

EDITORIAL POSITIONS:

Associate Editor:

Head and Neck - Endocrine Section (2008 – present)

Guest Editor:

Operative Techniques in Otolaryngology-Head and Neck Surgery - June 2002 Issue
Otolaryngologic Clinics of North America - October 2002 Issue
Journal for Oto-Rhino-Laryngology and its Related Specialties - (2008) Thyroid and
Parathyroid Issue

Guest Editor (cont'd):

Operative Techniques in Otolaryngology-Head and Neck Surgery – (2009)
Thyroid and Parathyroid Issue
Current Otorhinolaryngology Reports – September 2013 Issue – Robotic Surgery in
Otorhinolaryngology Section

Editorial Board:

Otolaryngology and Facial Plastic Surgery, Head and Neck Cancer Editor (1999)
OTOHNS.net (2000)
MDExpert.com (2000)
CancerDocSecondOpinion.com (2000)
Laryngoscope (2000 – present)
Medical Science Monitor (2000 – 2012)
National Cancer Institute Web Site Reviewer (2002 – present)
Microsurgery (2002 – 2009)
Operative Techniques of Otolaryngology-Head and Neck Surgery (2002 – present)
Medscape Journal of Medicine (2008 – present)
Head & Neck (2008 - present)
Otolaryngology-Head and Neck Surgery (2010 – present)
VideoEndocrinology (2014 – 2018)

Referee:

Laryngoscope (1995 – 2000)
Archives of Otolaryngology/Head and Neck Surgery (1995 – present)
Journal of the American College of Surgeons (2005 – present)
Head and Neck (2002 – present)
Otolaryngology-Head and Neck Surgery (2002 – present)

Ad Hoc Referee:

Journal of Respiratory Diseases
Annals of Otology, Rhinology, and Laryngology
World Journal of Surgery
Western Journal of Medicine
Journal of Bone and Joint Surgery
Yonsei Medical Journal (2006 – present)
Restorative Neurology and Neuroscience
Neuroscience
Journal of Neurosurgery
Journal of the Peripheral Nervous System
Oncology
American Journal of Rhinology
Lasers in Surgery & Medicine
World Journal of Surgical Oncology
BMC Surgery
Experimental Neurology
Southern Medical Journal
Saudi Medical Journal
Central European Journal of Medicine (CEJMed)

Ad Hoc Referee (Cont'd):

International Journal of Otolaryngology
BMC Ear Nose and Throat Disorders
Surgical Laparoscopy, Endoscopy & Percutaneous Techniques
Thyroid
Surgical Endoscopy
Annals of Surgical Oncology
Journal of Surgical Oncology
Annals of Surgery

Ad Hoc Reviewer:

Surgery Study Section, Department of Veterans Affairs
Study Section, Wellcome Trust
Study Section, Swiss Federal Institute of Technology
Study Section, Scottish Health Department
Expert Review of Medical Devices
Study Section, Emtech Bio
Journal of Endocrinological Investigation

Research Award Panelist:

Stanford Medical Student Research Symposium (1998)
Stanford Medical Student Research Symposium (1999)
Triological Society (Southern Section) 2003 – Chairman
Triological Society (Annual Meeting) 2003 – Chairman
Academy of Otolaryngology (Annual Meeting) 2008
Triological Society (Southern Section) 2009
Triological Society (Southern Section) 2011 – Chairman

Examiner:

Examiner, Medical Board of California (2000 – 2004)
Examiner, Medical Board of Georgia (2002 – present)
Guest Examiner, American Board of Otolaryngology (2001, 2002, 2005, 2014)
Senior Examiner, American Board of Otolaryngology (2006 – 2010)

Miscellaneous:

Expert, Food and Drug Administration, ENT Devices (2004 – 2012)

RESEARCH SUPPORT:

American Academy of Allergy and Immunology Research Grant

Title: "Small bowel allograft transplantation in rats"

Principal Investigator: (b) (4)

Total funding: (b) (4) Project period: 8/86 - 7/87

Ortho Pharmaceuticals Research Grant

Title: "Oxygen tension of head and neck tumors"

Principal Investigator: (b) (4)

Total Funding: (b) (4) Project period: 1/91 - 7/91

RESEARCH SUPPORT (Cont'd):

RW Johnson Foundation Research Grant
Title: "Effect of erythropoietin on oxygen tension"
Principal Investigator: (b) (4)
Total Funding: (b) (4) Project period: 7/91 - 1/92

National Institute of Health R01, CA 48269
Title: "Magnetic resonance spectroscopic neoplasm imaging"
Principal Investigator: Daniel Spielman, Ph.D.
Role: Investigator; Effort: 2%
Total Funding: \$1,315,685 Project Period: 7/1/95 - 6/30/00

National Institute of Health P01, CA 67166
Title: "Measuring hypoxia in human tumors: Comparison of methods"
Project Leader: **David J. Terris, M.D.**
Role: Project Leader; Effort: 15%
Total Funding: \$710,448 Project Period: 4/1/96 - 3/31/01

National Institute of Health P01, CA 67166
Title: "Exploiting tumor hypoxia: Does it work clinically?"
Principal Investigator: J. Martin Brown, D. Phil.
Project Leader: Harlan Pinto, M.D.
Role: Investigator; Effort: 5%
Total Funding: \$1,186,562 Project Period: 4/1/96 - 3/31/01

Amgen Inc., KGF 970149
Title: "Clinical trial of recombinant keratinocyte growth factor in head and neck cancer patients"
Principal Investigator: (b) (4)
Role: Investigator
Project Period: 1/1/97 - 12/31/98

National Institute of Health R01
Title: "PCC and chromosome painting in radiation and drug studies"
Principal Investigator: J. Martin Brown, D. Phil.
Role: Collaborator; Effort: 5%
Total Funding: \$730,482 Project Period: 4/1/97 - 3/31/00

Amgen Inc., KGF 990123
Title: "A long-term follow-up study of head and neck cancer study subjects previously enrolled in Amgen-sponsored clinical trials with recombinant keratinocyte growth factor"
Principal Investigator: (b) (4)
Role: Investigator
Project Period: 1/1/99 - 12/31/00

RESEARCH SUPPORT (Cont'd):

Amgen Inc., KGF 990119

Title: "A phase 2 study of recombinant human keratinocyte growth factor in head and neck cancer patients receiving concurrent chemotherapy with standard hyperfractionated radiation therapy"

Principal Investigator: (b) (4)

Role: Investigator

Project Period: 1/1/99 - 12/31/00

National Institute of Health P01, CA 67166

Title: "Molecular assessment of hypoxia"

Principal Investigator: Amato Giaccia, Ph.D.

Project Leader: Quynh Le, M.D.

Role: Investigator; Effort: 5%

Total Funding: \$900,000

Project Period: 9/1/01 - 3/31/06

American Medical Association Foundation

Title: "Improved detection of thyroid carcinoma via MRM/q TRAP analysis of proven biomarkers"

Principal Investigator: (b) (4)

Total Funding: (b) (4)

Project Period: 4/1/2009 – 10/1/2010

VISITING PROFESSORSHIPS:

1. University of Western Ontario, London, Ontario, 1994
2. Chinese University of Hong Kong, Hong Kong, 1995
3. King/Drew Medical Center, Los Angeles, California, 1997
4. Albany Medical College, Albany, New York, 1998
5. UC Davis Medical Center, Sacramento, California, 1998
6. Duke University Medical Center, Durham, North Carolina, 2000
7. Oregon Health Sciences University, Portland, Oregon, 2001
8. Singapore General Hospital, Singapore, 2001
9. Medical College of Georgia, Augusta, Georgia, 2001
10. UC Davis Medical Center, Sacramento, California, 2002
11. Medical College of Virginia, Richmond, Virginia, 2003
12. University of Mississippi, Jackson, Mississippi, 2004
13. Loyola University, Chicago, Illinois, 2004
14. University of Florida, Gainesville, Florida, 2005
15. Eastern Virginia Medical School, Norfolk, Virginia, 2005
16. University of Cincinnati, Cincinnati, Ohio, 2005
17. University of North Carolina, Chapel Hill, North Carolina, 2005
18. Singapore General Hospital, Singapore, 2006
19. Thomas Jefferson University, Philadelphia, Pennsylvania, 2006
20. University of Illinois, Chicago, Illinois, 2006
21. Northwestern University, Chicago, Illinois, 2006
22. University of California, San Francisco, California, 2006
23. Johns Hopkins University, Baltimore, Maryland, 2006
24. University of Tennessee, Knoxville, Tennessee, 2007
25. Stanford University, Palo Alto, California, 2007
26. University of Kentucky, Lexington, Kentucky, 2007
27. Wayne State University, Detroit, Michigan, 2007
28. Boston University, Boston, Massachusetts, 2007
29. Louisiana State University, Shreveport, Louisiana, 2007
30. University of Kansas, Kansas City, Missouri, 2007
31. University of Southern California, Los Angeles, California, 2007
32. University of Puerto Rico, 2007
33. Harvard University, Boston, Massachusetts, 2007
34. University of Leon, Mexico, 2007
35. Tripler Army Medical Center, Honolulu, Hawaii, 2008
36. University of California, Irvine, California, 2008
37. Ohio State University, Columbus, Ohio, 2008
38. Mayo Clinic, Scottsdale, Arizona, 2008
39. SUNY – Downstate, New York, New York, 2008
40. Stanford University, Palo Alto, California, 2008
41. UC Davis, Sacramento, California, 2008
42. Dalhousie University, Nova Scotia, Canada, 2008
43. Harvard University, Boston, Massachusetts, 2008
44. University of Leon, Mexico, 2008
45. George Washington University, Washington DC, 2009
46. University of Calgary, Canada, 2009

VISITING PROFESSORSHIPS (Cont'd):

47. Stanford University, Palo Alto, California, 2009
48. University of California, San Diego, California, 2009
49. University of Alberta, Edmonton, Canada, 2009
50. Johns Hopkins University, Baltimore, Maryland, 2009
51. The Chinese University of Hong Kong, China, 2009
52. Madigan Army Medical Center, Seattle, Washington, 2009
53. Medical University of South Carolina, Charleston, South Carolina, 2010
54. Tulane University, New Orleans, Louisiana, 2010
55. Memorial Sloan-Kettering Cancer Center, New York, New York, 2010
56. Cairo University, Cairo, Egypt, 2010
57. University of Toronto, Toronto, Canada, 2010
58. University of Pennsylvania, Philadelphia, Pennsylvania, 2011
59. Tulane University, New Orleans, Louisiana, 2011
60. Johns Hopkins University, Baltimore, Maryland, 2011
61. University of South Carolina, Columbia, South Carolina 2011
62. Memorial Sloan-Kettering Cancer Center, New York, New York, 2012
63. University of Connecticut, Farmington, Connecticut, 2012
64. MD Anderson Cancer Center, Houston, Texas, 2013
65. University of Medicine & Dentistry of New Jersey, Newark, New Jersey, 2013
66. University of Virginia, Charlottesville, Virginia, 2013
67. University of Texas Medical Branch, Galveston, Texas, 2013
68. SUNY-Stony Brook, Stony Brook, New York, 2013

INVITED LECTURES:

1. Stanford Alumni Symposium, 1993 (Panelist)
Skull Base Surgery
2. Hong Kong, Wilson T. S. Wang Symposium, 1994 (Invited Speaker)
Total Laryngectomy: An Outdated Procedure?
3. Stanford University Medical Center, 2/19/94 (Program Chairman)
Laser-Assisted Uvulopalatoplasty and Other Office-Based Laser Procedures
4. Beijing, People's Republic of China, 1994 (Invited Speaker)
Sleep Apnea and Laser-Assisted Uvulopalatoplasty
5. Stanford University Medical Center, 4/30/94 (Program Chairman)
Laser-Assisted Uvulopalatoplasty and Other Office-Based Laser Procedures
6. Stanford University Medical Center, 5/21/94 (Program Chairman)
Laser-Assisted Uvulopalatoplasty and Other Office-Based Laser Procedures
7. San Francisco, Pacific Voice Conference, 1994 (Invited Speaker)
Near-Total Laryngectomy
8. Stanford University Medical Center, 6/24/94 (Program Chairman)
Laser-Assisted Uvulopalatoplasty and Other Office-Based Laser Procedures
9. Stanford University Medical Center, 6/25/94 (Program Chairman)
Laser-Assisted Uvulopalatoplasty and Other Office-Based Laser Procedures
10. Scottsdale, Arizona, 1994 (Program Chairman)
Laser-Assisted Uvulopalatoplasty
11. Stanford University Medical Center, 7/30/94 (Program Chairman)
Laser-Assisted Uvulopalatoplasty and Other Office-Based Laser Procedures
12. Las Vegas, Nevada, 1994 (Program Chairman)
Laser-Assisted Uvulopalatoplasty
13. Oakland, California, Northern California Kaiser Permanente, 1995 (Program Chairman)
Laser-Assisted Uvulopalatoplasty
14. Stanford University Medical Center, Primary Care of Today's Woman, The Third Annual James Kung Symposium, 1995 (Invited Speaker)
Otolaryngology for the Primary Care Physician
15. Stanford University Medical Center, 1995 (Program Chairman)
Comprehensive Symposium of Lasers in Otolaryngology-Head and Neck Surgery

INVITED LECTURES (Cont'd):

16. San Francisco, California, San Francisco Cancer Symposium, 1997 (Invited Speaker)
Surgery for Radiation-Damaged Tissues
17. Singapore, International College of Surgeons (Singapore Section) Combined Meeting, 1997 (Invited Speaker) *Surgery for Snoring and Sleep Apnea*
18. Los Gatos, California, Good Samaritan Medical Center, 1997 (Invited Speaker)
Head and Neck Cancer: Diagnosis and Management
19. Rome, Italy, International Symposium on OSAS, 1997 (Invited Speaker)
A rational and comprehensive approach to the management of OSAS
Recognition and management of the upper airway resistance syndrome
Nasal surgery and sleep apnea, (Panelist)
Uvulopalatopharyngoplasty (Moderator)
20. Singapore, Third Annual Endoscopic Sinus Surgery Course (Basic and Advanced Techniques), 1997 (Invited Speaker)
Bacteriology of sinusitis
Basic endoscopic techniques and instrumentation
Fungal sinusitis
Complications of endoscopic sinus surgery
Management of orbital complications
21. Providence, Rhode Island, Society for Biomaterials, 1999 (Keynote Speaker)
Biomaterials in neural regeneration
22. Monterey, California, Central Coast ENT Association, 1999 (Invited Speaker)
Surgery for Sleep Apnea and Snoring
23. San Francisco, California, UCSF Update, 1999 (Invited Speaker)
Surgery for Snoring
24. Washington, D.C., Cherry Blossom Conference, 1999 (Invited Speaker)
Extratemporal Repair of the Facial Nerve
25. San Francisco, California, Primary Care Update, 1999 (Invited Speaker)
Otolaryngology for the Primary Care Physician
26. Napa, California, UCSF Stanford Cancer Symposium, 1999 (Invited Speaker)
Adjuvant Treatment Options for Patients with Poor Prognostic Features
27. Hayward, California, Bay Area Kaiser ENT Association, 1999 (Invited Speaker)
Novel Surgeries for Sleep Apnea and Snoring
28. Palo Alto, California, Matrix Pharmaceuticals Symposium, 1999 (Invited Speaker)
Head and Neck Cancer

INVITED LECTURES (Cont'd):

29. Singapore, (by Video-Teleconference), Annual Surgical Symposium, 1999 (Invited Speaker)
Surgical Management of the Tongue Base in Obstructive Sleep Apnea
30. Redwood City, California, Sequoia Hospital Grand Rounds, 1999 (Invited Speaker)
Tongue Base Surgery for Obstructive Sleep Apnea
31. San Diego, California, Primary Care Update, 2000 (Invited Speaker)
Otolaryngology for the Primary Care Physician
32. Chino, California, Grand Rounds, 2000 (Invited Speaker)
Management of Acute and Chronic Sinusitis
33. Rome, Italy, International Symposium on OSAS, 2000 (Invited Speaker)
Novel Approaches to Tongue Base Surgery for Obstructive Sleep Apnea
Tongue Suspension (Course Director)
Surgery for Obstructive Sleep Apnea (Panelist)
34. Washington, DC, American Academy of Otolaryngology/Head and Neck Surgery, 2000 (Invited Panelist) *Evaluation of Site of Upper Airway Obstruction in Sleep Apnea*
35. Sedona, Arizona, Arizona Academy of Otolaryngology-Head and Neck Surgery, 2000 (Keynote Speaker) *Surgery for Obstructive Sleep Apnea and Snoring*
36. Honolulu, Hawaii, Hawaii Academy of Otolaryngology-Head and Neck Surgery, 2000 (Keynote Speaker)
37. Honolulu, Hawaii, Tripler Medical Center, 2000 (Keynote Speaker)
Balanced Orbital Decompression: The Endoscopic Component
Virtual Sinus Endoscopy
Percutaneous Endoscopic Gastrostomy by Head and Neck Surgeons
38. Oakland, California, Bay Area Resident Research Symposium, 2001 (Distinguished Faculty)
39. Denver, Colorado, American Academy of Otolaryngology-Head and Neck Surgery, 2001 (Chair of Panel) *Panel on Surgery of the Tongue Base in Patients with Sleep Apnea*
40. San Diego, California, American Academy of Otolaryngology-Head and Neck Surgery, 2002 (Invited Panelist) *Panel on Effectiveness of Palatal Surgery in Patients with Sleep Apnea*
41. Atlanta, Georgia, Georgia Society of Otolaryngology, 2002 (Invited Speaker)
Endoscopic and Robotic Neck Surgery: Thyroid and Salivary Gland Applications
42. Philadelphia, Pennsylvania, Philadelphia College of Surgeons, 2003 (Invited Speaker)
Endoscopic Neck Surgery: Systematic Experimental Investigation and Emerging Clinical Applications

INVITED LECTURES (Cont'd):

43. Singapore, All Teaching Hospitals, 2003 (Visiting Expert)
Update on Sleep Apnea Surgery
44. Charleston ENT, 2003 (Invited Speaker)
Endoscopic and Robotic Neck Surgery: Systematic Experimental Investigation and Emerging Clinical Applications
45. Sea Island, Georgia, MCG Sleep Conference, 2003 (Invited Speaker)
46. Atlanta, Georgia, Atlanta Sleep Conference, 2003 (Invited Speaker)
Minimally Invasive Tongue Base Surgery
47. Atlanta, Georgia, Georgia Society of Otolaryngology, 2003 (Invited Speaker)
Cosmetic Head and Neck Surgery: Keeping Georgia Beautiful
48. Orlando, Florida, American Academy of Otolaryngology-Head and Neck Surgery, 2003 (Invited panelist) *Surgery for Tongue Base Obstruction*; (Chair of panel) *Endoscopic Surgery of the Head and Neck: Emerging Applications*
49. Sea Island, Georgia, MCG Primary Care Conference, 2004 (Invited Speaker)
Minimally Invasive Head and Neck Surgery; Cosmetic Head and Neck Surgery
50. Amelia Island, Georgia Society of Otolaryngology, 2004 (Invited Speaker)
Minimally Invasive Thyroid and Parathyroid Surgery
Tongue base surgery for Sleep Apnea
51. Atlanta, Georgia, Board of Governors of American Academy of Otolaryngology-Head and Neck Surgery Clinical Challenges Panel, 2004 (Invited panelist)
Minimally Invasive Thyroid and Parathyroid Surgery
52. Washington, DC, 6th International Conference on Head and Neck Cancer, 2004 (Invited Speaker) *Lunch with the Professors: Salivary Surgery/Endoscopic Surgery*
53. Sea Island, Georgia, MCG Sleep Disorders Conference, 2004 (Invited Speaker)
Innovative Surgical Techniques for the Treatment of Snoring and Mild Sleep Apnea
Surgical Management of Tongue base Obstruction in Sleep Disordered Breathing
54. New York, New York, American Academy of Otolaryngology-Head and Neck Surgery, 2004 (Chair of panel) *Endoscopic and Robotic Head and Neck Surgery*
55. Washington, DC, FDA Ear, Nose and Throat Devices Advisory Panel, 2004 (Invited Panelist)
Obstructive Sleep Apnea and OTC
56. Atlanta, Georgia, Obstructive Sleep Apnea Conference, 2004 (Invited Speaker)
Tongue Suspension; Palatal Surgery

INVITED LECTURES (Cont'd):

57. Augusta, Georgia, MCG Primary Care and Family Practice Symposium, 2005 (Invited Speaker)
Minimally Invasive Thyroid and Parathyroid Surgery
58. Augusta, Georgia, MCG Mini Medical School, 2005 (Invited Speaker)
Minimally Invasive Thyroid Surgery
59. San Francisco, California, American College of Surgeons, 2005 (Guest Panelist)
Evaluation and Management of Parotid Neoplasms
60. Boca Raton, Florida, Annual Meeting of the American Head and Neck Society, 2005 (Keynote Speaker) *Robotic Head and Neck Surgery*
61. Boca Raton, Florida, Annual Meeting of the Triological Society, 2005 (Keynote Speaker)
Minimally Invasive Thyroid Surgery
62. Augusta, Georgia, 2nd Annual Kenna S. Given, MD Plastic Surgery Symposium, 2005 (Invited Speaker) *Cosmetic Head and Neck Tumor Surgery*
63. Concord, North Carolina, Northeast Medical Center, 2005 (Invited Speaker)
Management of the Base of Tongue in Obstructive Sleep Apnea Syndrome
64. Kiawah Island, South Carolina, MCG Sleep Disorders Conference, 2005 (Invited Speaker)
Innovative Surgical Techniques for the Treatment of Snoring and Mild Sleep Apnea
Surgical Treatment of OSA: Rebuttal and Discussion
Surgical Management of Tongue base Obstruction in Sleep Disordered Breathing
65. Birmingham, Alabama, Alabama Ear Institute, 2005 (Invited Speaker)
Minimally Invasive Thyroid and Parathyroid Surgery
66. Los Angeles, California, American Academy of Otolaryngology-Head and Neck Surgery, 2005
(Invited Panelist) *Innovations in Palatopharyngoplasty for Obstructive Sleep Apnea;*
Building an Endocrine Surgical Practice: A Practical Approach
(Chair of Panel) *Parathyroidectomy in 2005: Exploiting Technology*
67. Young Harris, Georgia, MCG Twelfth Annual Primary Care Issues in Endocrine, Renal and Metabolic Diseases, 2005 (Invited Speaker)
Minimally Invasive Thyroid and Parathyroid Surgery - Size Does Matter
68. Atlanta, Georgia, Surgical Treatment of Obstructive Sleep Apnea, 2005 (Invited Speaker)
Minimally Invasive Tongue Base Surgery
69. Cincinnati, Ohio, Cincinnati ENT Society, 2005 (Invited Speaker)
Minimally Invasive Thyroid and Parathyroid Surgery: An Evolving Approach
70. Augusta, Georgia, MCG Primary Care and Family Practice Symposium, 2006 (Invited Speaker)
Thyroid and Parathyroid Surgery

INVITED LECTURES (Cont'd):

71. Cincinnati, Ohio, Thyroid Course, March 2006 (Course Director)
Minimally Invasive Thyroid and Parathyroid Surgery
72. Somerville, New Jersey, Thyroid Course, April 2006 (Course Director)
Minimally Invasive Thyroid and Parathyroid Surgery
73. Cincinnati, Ohio, Thyroid Course, April 2006 (Course Director)
Minimally Invasive Thyroid and Parathyroid Surgery
74. Los Angeles, California, Thyroid Course, May 2006 (Course Director)
Minimally Invasive Thyroid and Parathyroid Surgery
75. Richmond, Virginia, Thyroid Course, May 2006 (Course Director)
Minimally Invasive Thyroid and Parathyroid Surgery
76. Somerville, New Jersey, Thyroid Course, May 2006 (Course Director)
Minimally Invasive Thyroid and Parathyroid Surgery
77. Cincinnati, Ohio, Thyroid Course, June 2006 (Course Director)
Minimally Invasive Thyroid and Parathyroid Surgery
78. Chicago, Illinois, Surgery, Sleep and Breathing International Symposium, June 2006
(Invited Speaker and Panelist)
Suspension Sutures; Hypopharyngeal Surgery
79. Cincinnati, Ohio, Thyroid Course, June 2006 (Course Director)
Minimally Invasive Thyroid and Parathyroid Surgery
80. Cincinnati, Ohio, Thyroid Course, June 2006 (Course Director)
Minimally Invasive Thyroid and Parathyroid Surgery
81. Memphis, Tennessee, Thyroid Course, June 2006 (Course Director)
Minimally Invasive Thyroid and Parathyroid Surgery
82. Kiawah, South Carolina, MCG Internal Medicine – Recent Advances Symposium, June 2006
(Invited Speaker) *Evaluation and Treatment of Head and Neck Problems*
83. Boston, Massachusetts, Thyroid Course, July 2006 (Course Director)
Minimally Invasive Thyroid and Parathyroid Surgery
84. Kiawah, South Carolina, Sleep Disorders Symposium, August 2006 (Course Director)
Palate Surgery: What's New, What's Hot and What Works
Hypopharyngeal Sleep Surgery: Adding to the Armamentarium
85. Chicago, Illinois, American Head & Neck Society Annual Meeting, August 2006 (Invited Speaker) *Parapharyngeal Space Tumors*

INVITED LECTURES (Cont'd):

86. Minneapolis, Minnesota, Minnesota Academy of Otolaryngology Fall Meeting, September 2006
(Invited Speaker) *Endoscopic and Minimally Invasive Thyroid Surgery: Bigger is Not Always Better; Thyroid and Parathyroid Surgery: New Technology and New Approaches*
87. Raleigh, North Carolina, Thyroid Course, September 2006 (Course Director) *Minimally Invasive Thyroid and Parathyroid Surgery*
88. Louisville, Kentucky, Thyroid Course, October 2006 (Course Director)
Minimally Invasive Thyroid and Parathyroid Surgery
89. Chicago, Illinois, American College of Surgeons 92nd Annual Clinical Congress, October 2006
(Moderator) *Update on Tracheostomy: Results and Recommendations on Open and Percutaneous Approaches*; (Invited Speaker) *High Risk Tracheostomy: Exploring the Limits of the Percutaneous Approach*
90. Chicago, Illinois, SUO-AADO Annual Meeting, October 2006 (Invited Panelist)
Increased Importance of the Program Director in Otolaryngology Departments
91. Atlanta, Georgia, 8th Annual Surgical Treatment of Obstructive Sleep Apnea, November 2006
(Invited Speaker) *Minimally Invasive Tongue Base Surgery*
92. Cincinnati, Ohio, Thyroid Course, November 2006 (Course Director)
Minimally Invasive Thyroid and Parathyroid Surgery
93. Atlanta, Georgia, Georgia Society of Otolaryngology Annual Fall Meeting, November 2006
(Invited Speaker) *Endoscopic Thyroidectomy and Laryngeal Nerve Monitoring*
94. Cincinnati, Ohio, Thyroid Course, December 2006 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
95. Kansas City, Missouri, Kansas City Society of Ophthalmology and Otolaryngology Annual Meeting, January 2007 (Invited Speaker) *Controversies in Thyroid and Parathyroid Surgery; Minimally Invasive Thyroid Surgery: Basic and Advanced Techniques; Percutaneous Tracheostomy – A Collaborative Approach*
96. Cincinnati, Ohio, Thyroid Course, January 2007 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
97. Atlanta, Georgia, Metro Atlanta Educational Society for Otolaryngology, January 2007 (Invited Speaker) *Endoscopic and Minimally Invasive Thyroid Surgery – New Technology, New Approaches*
98. Cincinnati, Ohio, Thyroid Course, January 2007 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery

INVITED LECTURES (Cont'd):

99. Vail, Colorado, 29th Annual Sisson International Workshop, February 2007 (Invited Speaker)
Thyroid and Parathyroid: Minimally Invasive and Video Assisted Techniques
100. Cincinnati, Ohio, Thyroid Course, February 2007 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
101. Marco Island, Florida, Triological Society Head and Neck Ultrasound Course, February 2007
(Invited Speaker) *Head and Neck Ultrasound*
102. Richmond, Virginia, Thyroid Course, February 2007 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
103. Cincinnati, Ohio, Thyroid Course, March 2007 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
104. New York, New York, Beth Israel Medical Center - Controversies in the Management of
Thyroid and Parathyroid Diseases, March 2007 (Moderator) *Controversy: Indications for
Parathyroid Surgery*; (Invited Speaker) *Use of Harmonic Technology to Facilitate
Minimally Invasive Thyroid Surgery*
105. Reno, Nevada, Thyroid Course, March 2007 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
106. Bethesda, Maryland, Thyroid Course, April 2007 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
107. Tyler, Texas, Thyroid Course, May 2007 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
108. Augusta, Georgia, MCG Pathology Symposium, May 2007 (Invited Speaker)
Innovative Thyroid Surgical Techniques
109. Cincinnati, Ohio, Thyroid Course, June 2007 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
110. Oahu, Hawaii, 91st Annual Pacific Coast Oto-Ophthalmological Society Meeting, June 2007
(Invited Speaker) *Thyroid and Parathyroid Surgery: New Technology, New Approaches*
111. Orlando, Florida, Thyroid Course, July 2007 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
112. Cincinnati, Ohio, Thyroid Course, August 2007 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
113. Dallas, Texas, North Texas Otolaryngology Society Meeting, August 2007 (Invited Speaker)
Thyroid and Parathyroid Surgery: New Technology, New Approaches

INVITED LECTURES (Cont'd):

114. Colorado Springs, Colorado, Surgical Society of Colorado Springs, August 2007
(Invited Speaker) *Thyroid and Parathyroid Surgery: New Technology, New Approaches*
115. Cincinnati, Ohio, Thyroid Course, September 2007 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
116. Jacksonville, Florida, North Florida Society of Otolaryngology Meeting, September 2007
(Invited Speaker) *Thyroid and Parathyroid Surgery: New Technology, New Approaches*
117. New Orleans, Louisiana, American College of Surgeons Clinical Congress, October 2007
(Invited Panelist) *Endoscopic Thyroidectomy*
118. Naples, Florida, Triological Society Southern Section Meeting, January 2008
(Invited Panelist) *How I Do It: Thyroid Surgery – Finding the Nerve, Staying out of Trouble*
119. Honolulu, Hawaii, Pan-Pacific Surgical Association Congress, January 2008
(Invited Speaker) *Minimally Invasive Thyroid Surgery: Emerging Technology, Emerging Techniques; Parathyroid Surgery: What a Head and Neck Surgeon Needs to Know*
120. Cincinnati, Ohio, Thyroid Course, January 2008 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
121. Irvine, California, Orange County Society of Otolaryngology-Head and Neck Surgery, February 2008 (Invited Speaker) *Endoscopic and Minimally Invasive Thyroid and Parathyroid Surgery*
122. Augusta, Georgia, MCG Mini-Medical School, March 2008 (Invited Speaker)
Thyroid and Parathyroid Surgery: New Technology and New Techniques
123. Cincinnati, Ohio, Thyroid Course, March 2008 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
124. Singapore, Sleep Surgery Course, March 2008 (Guest Speaker)
Surgical Procedures in Snoring and OSA
125. Denver, Colorado, Thyroid Course, March 2008 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
126. Cincinnati, Ohio, Thyroid Course, March 2008 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
127. New York, New York, Beth Israel Medical Center - Controversies in the Management of Thyroid and Parathyroid Diseases, April 2008 (Invited Speaker)
*Harmonic Technology in Thyroid and Parathyroid Surgery
Instrumentation for Video-Assisted Thyroid Surgery*

INVITED LECTURES (Cont'd):

128. Cincinnati, Ohio, Thyroid Course, April 2008 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
129. Orlando, Florida, The Triological Society Annual Meeting, May 2008 (Moderator)
Head and Neck Surgery 2008: Emerging Technologies, Emerging Procedures
130. Virginia Beach, Virginia, Virginia Society of Otolaryngology-Head and Neck Surgery Meeting, May 2008 (Keynote Speaker) *Endoscopic and Minimally Invasive Thyroidectomy – An Emerging Frontier; Parathyroid Surgery 2008: When, What and How*
131. Bedford, Pennsylvania, Pennsylvania Academy of Otolaryngology-Head and Neck Surgery Annual Meeting, June 2008 (Keynote Speaker) *Endoscopic Thyroid and Parathyroid Surgery – Emerging Technology, Emerging Techniques; Difficult Cases in Head and Neck Endocrine*
132. Dallas, Texas, University of Oklahoma Thyroid Course, June 2008 (Guest Speaker)
Endoscopic Thyroid and Parathyroid Surgery
133. San Francisco, California, International Conference on Head and Neck Cancer, July 2008
(Invited Speaker) *Robotics in Head and Neck Surgery; Image Guided Surgery*
(Moderator) *Poster Tour: Thyroid/Parathyroid*
134. Atlanta, Georgia, National Medical Association Otolaryngology Section Annual Meeting, July 2008 (Invited Speaker) *Endoscopic and Minimally Invasive Thyroid Surgery*
135. Chicago, Illinois, Annual Meeting of the American Academy of Otolaryngology-Head and Neck Surgery, September 2008 (Invited Speaker) *Asking the Critical Questions in Well-Differentiated Thyroid Cancer; Changing Practice Patterns: Outpatient Thyroid Surgery;*
(Moderator) *Parathyroidectomy Update 2008: When to Operate, When to Stop*
136. Chicago, Illinois, Annual Meeting of the American Thyroid Association, October 2008
(Invited Speaker) *Minimally Invasive (Endoscopic) Thyroid Surgery: Ready for Primetime*
137. Antalya, Turkey, Annual Meeting of the Turkish Society of Otorhinolaryngology, October 2008 (Guest Speaker) *Endoscopic Thyroid and Parathyroid Surgery*
138. Tarragona, Spain, Annual Meeting of the Spanish Society of Otolaryngology-Head and Neck Surgery, October 2008 (Guest Speaker) *Endoscopic Thyroid and Parathyroid Surgery*
139. Atlanta, Georgia, Fall Meeting of the Georgia Society of Otolaryngology-Head and Neck Surgery, November 2008 (Invited Speaker) *Minimally Invasive Thyroidectomy: Benefits for the Young and Elderly*
140. Cincinnati, Ohio, Thyroid Course, December 2008 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery

INVITED LECTURES (Cont'd):

141. New Brunswick, Canada, Thyroid Course, February 2009 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
142. Los Angeles, California, Annual Meeting of the Los Angeles Otolaryngology Society, February 2009 (Guest Speaker) *Endoscopic Thyroid and Parathyroid Surgery*
143. Tallahassee, Florida, Thyroid Course, March 2009 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
144. Dearborn, Michigan, Michigan Oto-Laryngological Society Meeting, April 2009 (Guest Speaker) *Minimally Invasive Thyroidectomy: New Technology, New Techniques*
145. Oklahoma City, Oklahoma, Oklahoma Academy of Otolaryngology Spring Meeting, April 2009 (Guest Speaker) *Endoscopic Parathyroidectomy; Minimally Invasive Video-Assisted Thyroidectomy*
146. Montreal, Canada, Thyroid Course, May 2009 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
147. Cincinnati, Ohio, Thyroid Course, May 2009 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
148. Fresno, California, Thyroid Course, June 2009 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
149. Cincinnati, Ohio, Thyroid Course, July 2009 (Course Director)
Endoscopic Thyroid and Parathyroid Surgery
150. Toronto, Canada, World Congress on Thyroid Cancer, August 2009 (Guest Speaker)
Minimally Invasive Surgery; Minimally Invasive Thyroid Surgery – When is Minimal not Enough?; Endoscopic and Robotic Thyroid Surgery – Emerging Techniques
151. San Diego, California, Annual Meeting of the American Academy of Otolaryngology-Head and Neck Surgery, October 2009 (Invited Speaker) *Building a Thyroid and Parathyroid Surgery Practice; Thyroid Nodule FNA Update: When to Do It, When Not, and How; Being a Thyroid Surgeon Rather Than a Surgeon Doing Thyroids; (Moderator) Central Neck Dissection for WDTC: Can We Reach Consensus?*
152. Chicago, Illinois, American College of Surgeons Clinical Congress, October 2009 (Moderator) *New Technologies in Thyroid and Parathyroid Surgery; (Panelist) Otolaryngology Head & Neck Surgery Video Session; (Meet the Expert Luncheon) Minimally Invasive Thyroidectomy*
153. Ridgedale, Missouri, Annual Meeting of the Arkansas-Missouri Society of Otolaryngology-Head and Neck Surgery, October 2009 (Guest Speaker) *Minimally Invasive Thyroidectomy– New Technology, New Techniques; Endoscopic and Conventional Parathyroidectomy*

INVITED LECTURES (Cont'd):

154. Hong Kong, China, Annual CUHK Otolaryngology Conference, November 2009
(Keynote Speaker) *Minimally Invasive Thyroid Surgery*
155. Washington, DC, Annual Meeting of the Society of University Otolaryngologists and Association of Academic Departments of Otolaryngology, November 2009
(Panelist) *Professionalism*
156. Las Vegas, Nevada, Las Vegas Otolaryngology Society Meeting, November 2009 (Guest Speaker) *New Techniques in Thyroid and Parathyroid Surgery*
157. Newark, New Jersey, Annual Meeting of the New Jersey Academy of Otolaryngology-Head and Neck Surgery, December 2009 (Guest Speaker) *Endoscopic and Robotic Thyroid Surgery: Emerging Techniques*
158. Raleigh, North Carolina, Triangle ENT Journal Club, February 2010 (Guest Speaker) *Minimally Invasive Thyroidectomy: New Technology, New Techniques*
159. Chandler, Arizona, Multidisciplinary Head and Neck Cancer Symposium, February 2010 (Guest Speaker) *Minimally Invasive Thyroid/Parathyroid Surgery*
160. Bethesda, Maryland, Annual MG Paul H. Streit Memorial Seminar: Technology in Otolaryngology, March 2010 (Guest Speaker) *Minimally Invasive and Robotic Thyroidectomy: New Technology, New Techniques; Endoscopic and Conventional Parathyroidectomy*
161. New York, New York, Beth Israel Medical Center - Controversies in the Management of Thyroid and Parathyroid Diseases, March 2010 (Invited Speaker) *The Case for Smaller Incisions; Instrumentation in Minimally Invasive Thyroid/Parathyroid Surgery; Harmonic Technology; Is There a Clinical Difference Between Micropapillary Cancers Discovered Before or After Surgery?*
162. Seoul, Korea, Korean Society of OHNS 84th Annual Congress, April 2010 (Keynote Speaker) *Endoscopic and Minimally Invasive Parathyroidectomy; Emerging Technologies and Emerging Techniques in Thyroidectomy; Reoperative Parathyroid Surgery; Endoscopic and Minimally Invasive Thyroidectomy*
163. Toronto, Canada, What's New in Thyroid Surgery Course, May 2010 (Guest Speaker) *Minimally Invasive Thyroid Surgery and Advanced Techniques*
164. Minneapolis, Minnesota, Spring Meeting of the American Thyroid Association, May 2010 (Invited Speaker) *Minimally Invasive Video Assisted Thyroidectomy*
165. Silver Spring, Maryland, Current Concepts in Thyroid Surgery Symposium, May 2010 (Guest Speaker) *Innovative Surgical Techniques in Modern Thyroid Surgery*

INVITED LECTURES (Cont'd):

166. Riccione, Italy, Italian Society of Otolaryngology Congress, May 2010 (Keynote Speaker)
Short Stay Thyroid Surgery and Minimally Invasive Approach in USA; Renal Hyperparathyroidism – Surgical Problems and It's Solutions; Emerging Technologies in Thyroid Surgery Including Robotic Thyroidectomy
167. Orange Beach, Alabama, Mississippi Society of Otolaryngology-Head and Neck Surgery Annual Meeting, June 2010 (Guest Speaker) *Minimally Invasive and Conventional Parathyroidectomy; Practice Building in Thyroid Surgery – A Blueprint for Increasing Volumes; Endoscopic and Robotic Thyroidectomy; Thyroidectomy at the Extremes – Surgery for the Very Young and the Very Old*
168. Houston, Texas, Houston Society of Otolaryngology Meeting, June 2010 (Guest Speaker)
Minimally Invasive and Robotic Thyroid Surgery – Emerging Technology, Emerging Techniques
169. Atlantic Beach, Florida, Georgia Society of Otolaryngology-Head and Neck Surgery Summer Meeting, July 2010 (Invited Speaker) *Reoperative Parathyroid Surgery: Optimizing Outcomes*
170. Augusta, Georgia, Georgia Association of PeriAnesthesia Nurses State Conference, September 2010 (Invited Speaker) *Minimally Invasive Outpatient Thyroid and Parathyroid Surgery*
171. Boston, Massachusetts, Annual Meeting of the American Academy of Otolaryngology-Head and Neck Surgery, September 2010 (Invited Speaker) *Robotic Thyroidectomy: Why, How, When?; Endoscopic Thyroid Surgery: Basic and Advanced Techniques; Parathyroid Surgery: What Head and Neck Surgeons Should Know; Update: Management of Thyroid Nodule & Differentiated Cancer*
172. Washington, DC, American College of Surgeons Annual Clinical Congress, October 2010 (Co-Moderator) *Robotic Surgery: Established and Emerging Applications Across Disciplines*; (Invited Speaker) *Introduction – Basics of Robotic Therapy*; (Panelist) *Thyroid Case Presentations*; (Presenter) *Cine-Clinic II: Thyroid Surgery – Video-assisted Thyroidectomy*
173. Boston, Massachusetts, Harvard Surgery of the Thyroid and Parathyroid Glands Symposium, October 2010 (Invited Speaker) *Robotic Surgical Approaches*
174. Jeddah, Saudi Arabia, Saudi General Surgery Society Meeting, December 2010 (Guest Speaker) *Endoscopic Thyroid Surgery*
175. Scottsdale, Arizona, Triological Society Combined Sections Meeting, January 2011 (Moderator) *Open Versus Endoscopic Management of Skull Base Lesions; Balloon Versus Traditional Sinus Management; Stereotactic Radiation Versus Surgical Resection for Vestibular Schwannomas*

INVITED LECTURES (Cont'd):

176. Atlanta, Georgia, Georgia Chapter of the American Association of Clinical Endocrinologists, February 2011 (Guest Speaker) *Primary and Reoperative Parathyroid Surgery: Re-writing the Rules*
177. Seoul, Korea, Korean Thyroid Association Meeting, February 2011 (Guest Speaker) *Endoscopic and Robotic Thyroid Surgery: New and Emerging Techniques; Primary and Reoperative Parathyroid Surgery: From the Routine to the Cutting Edge*
178. New Haven, Connecticut, Yale Head and Neck Course, March 2011 (Guest Speaker)
179. White Plains, New York, Beth Israel Medical Center - Controversies in the Management of Thyroid and Parathyroid Diseases, March 2011 (Invited Speaker) *How I Do it: Minimally Invasive Video-Assisted Thyroid Surgery*; (Panelist) *Patient Selection in the Administration of ¹³¹I in Low Risk DTC*; (Panelist) *What Does Technology Hold for the Future of Thyroid/Parathyroid Surgery*; (Invited Speaker) *Instrumentation in Minimally Invasive Surgery*; (Panelist) *Managing Thyroid Cancer in the Ivory Tower vs. the Community Setting: How Do We Make it Work?*
180. Charleston, South Carolina, MUSC Emerging Controversies in the Management of Thyroid and Parathyroid Diseases, April 2011 (Invited Speaker) *Primary and Re-operative Parathyroid Surgery; Robotic Facelift Thyroidectomy*
181. Chicago, Illinois, AHNS Annual Meeting, April 2011 (Panelist) *Parathyroid*
182. Dubai, United Arab Emirates, Annual Middle East Update in Otolaryngology Conference, May 2011 (Guest Speaker) *ATA Guidelines for Thyroid Cancer; Parotidectomy and Facial Nerve Dissection: Choice of Surgical Technique; Primary and Re-operative Parathyroid Surgery; Robotic Thyroidectomy; Tracheostomy Potpourri*
183. Strasbourg, France, International Post-Graduate Course of Minimal-Invasive Endocrine Surgery, June 2011 (Guest Speaker) *Endoscopic and Video Assisted Thyroidectomy*
184. Miami Beach, Florida, 2011 World Robotic Symposium, June 2011 (Guest Speaker) *Facelift Approach to Robotic Thyroidectomy*
185. Cincinnati, Ohio, Thyroid Course, July 2011 (Course Director) *Minimally Invasive Endoscopic Thyroidectomy and Parathyroidectomy*
186. San Francisco, California, Annual Meeting of the American Academy of Otolaryngology-Head and Neck Surgery, September 2011 (Instructor) *Robotic and Endoscopic Thyroid Surgery; Parathyroid Surgery – What Head and Neck Surgeons Should Know*; (Moderator) *Managing the Neck in Papillary Thyroid Cancer: Exploring the Evidence*; *Robotic Head and Neck Surgery: Lessons Learned and Future Opportunities*; (Panelist) *Innovations in Thyroid and Parathyroid Surgery; Humanitarian Goiter Surgery: Ethics and Best Practices in Low-Resource Settings*

INVITED LECTURES (Cont'd):

187. Santa Fe, New Mexico, Current Concepts in the Management of Thyroid and Parathyroid Neoplasms, October 2011 (Invited Speaker) *Video-Assisted Thyroidectomy*; (Panelist) *Diagnosis and Management of Thyroid Nodules; Interdisciplinary Management of Local and/or Regionally Aggressive or Recurrent Thyroid Cancer; Surveillance and Treatment of Thyroid Malignancies*
188. San Francisco, California, American College of Surgeons 97th Annual Clinical Congress, October 2011 (Chair) *Modern Evidence-Based Management of Thyroid Cancer*; (Moderator) *Principles of Thyroid and Cancer Surgery; New Technology and Techniques*; (Speaker) *Robotic and Remote Access; Review of Surgical Recommendations in the ATA MTC Guidelines; Video-Assisted Thyroid Surgery*; (Presenter) *Minimally Invasive Thyroidectomy*
189. Boston, Massachusetts, Surgery of the Thyroid and Parathyroid Gland Symposium, November 2011 (Guest Speaker) *Minimally Invasive Thyroid Surgery – How to Get Started, What to Watch Out For*
190. Queensland, Australia, Update on Thyroid and Parathyroid Surgery Symposium, November 2011 (Guest Speaker) *Goiters and Megagoiters – The Challenges and Solutions*
191. Greensboro, Georgia, Georgia Society of Otolaryngology-Head and Neck Surgery Fall Meeting, December 2011 (Invited Speaker) *Robotic Thyroidectomy – Identifying the Best Approach*
192. Miami Beach, Florida, Triological Society Combined Sections Meeting, January 2012 (Panelist) *Parathyroid Surgery – What They Didn't Teach You; What's the Latest and Greatest in Endocrine Surgery*
193. Pisa, Italy, Innovation and Technology in Head and Neck Surgery Conference, March 2012 (Invited Speaker) *Innovation and New Technology Impact on Thyroid Surgery*
194. Iowa City, Iowa, American Association of Endocrine Surgeons Annual Meeting, April 2012 (Moderator) *Scientific Session VII*
195. Cincinnati, Ohio, Thyroid Course, May 2012 (Course Director) *Minimally Invasive Endoscopic Thyroidectomy and Parathyroidectomy*
196. Kuala Lumpur, Malaysia, Malaysian International Congress, June 2012 (Invited Speaker) *Robotic Thyroidectomy – Identifying the Best Approach; Minimally Invasive Thyroid Surgery – How to Get Started, What to Watch Out For*
197. Toronto, Canada, AHNS 8th International Conference on Head and Neck Cancer, July 2012 (Moderator) *Proffered Papers: Thyroid/Parathyroid*

INVITED LECTURES (Cont'd):

198. Asheville, North Carolina, 2012 NC/SC Otolaryngology Assembly, August 2012 (Keynote Speaker) *Endoscopic and Robotic Thyroidectomy: New and Emerging Techniques; Parathyroidectomy: What a Head and Neck Surgeon Needs to Know* (Panelist) *Thyroid Surgery*
199. Washington, DC, Annual Meeting of the American Academy of Otolaryngology-Head and Neck Surgery, September 2012 (Moderator) *Parathyroid Surgery: What Head and Neck Surgeons Should Know; Endoscopic Thyroid Surgery: Basic and Advanced Techniques* (Invited Speaker) *Innovations in Thyroid and Parathyroid Surgery*
200. Quebec City, Canada, 82nd Annual Meeting of the American Thyroid Association, September 2012 (Invited Speaker) *Should Nerve Monitoring be Used Routinely?*
201. Chicago, Illinois, 4th World Wide Meeting of the Clinical Robotic Surgery Association, September 2012 (Invited Speaker) *Robotic Thyroidectomy through a Retroauricular Approach*
202. Chicago, Illinois, 98th Annual American College of Surgeons Clinical Congress, October 2012 (Moderator) *Papillary Thyroid Cancer; (Invited Speaker) Papillary Thyroid Cancer: What You thought You Already Knew*
203. Chicago, Illinois, Comprehensive Management of Thyroid Diseases, October 2012 (Guest Speaker) *New Surgical Techniques and Approaches – Robotic Surgery, Alternative Approaches*
204. Sao Paulo, Brazil, International Congress on Minimally Invasive and Robotic Surgery – Head and Neck Surgery, October 2012 (Guest Speaker) *What is Minimally Invasive Thyroid Surgery?; Robotic Thyroidectomy: Already a Reality?; New Perspectives for Robotic Thyroidectomy and Neck Dissection*
205. Boston, Massachusetts, Surgery of the Thyroid and Parathyroid Glands, November 2012 (Guest Speaker) *Incision Cosmesis in Thyroidectomy*
206. Kingston, Jamaica, Jamaica Association of Otolaryngology Annual Meeting, November 2012 (Keynote Speaker) *Endoscopic and Robotic Thyroidectomy: New and Emerging Techniques*
207. Atlanta, Georgia, Georgia Society of Otolaryngology Fall Meeting, November 2012 (Panelist) *New Topics in Thyroid Surgery*
208. Scottsdale, Arizona, Triological Society Combined Sections Meeting, January 2013 (Moderator) *Parathyroid Surgery: The Routine and the Unusual*
209. Campitello, Italy, 10th Upover Downunder International ENT Meeting, January 2013 (Invited Speaker) *Parathyroidectomy: What a Head and Neck Surgeon Needs to Know*

INVITED LECTURES (Cont'd):

210. New Orleans, Louisiana, Contemporary Management of Thyroid and Parathyroid Diseases, February 2013 (Invited Speaker) *Outpatient Parathyroid Surgery: What are the Limits?; Retroauricular Thyroidectomy*; (Panelist) *Case Presentations*
211. Orlando, Florida, AHNS Annual Meeting, April 2013 (Invited Speaker) *Postoperative Management: Same-Day versus Overnight Stay*; (Moderator) *Thyroid Controversies in Management and Diagnosis*
212. Chicago, Illinois, AAES Annual Meeting, April 2013 (Panelist) *The Role of Routine Pre and Post-Operative Laryngoscopy in the Endocrine Surgery Patient*
213. Cincinnati, Ohio, Thyroid Course, April 2013 (Course Director) *Minimally Invasive Endoscopic Thyroidectomy and Parathyroidectomy*
214. Sao Paulo, Brazil, New Technologies in Thyroid and Parathyroid Surgery, April 2013 (Invited Speaker) *Minimally Invasive Endoscopic Thyroidectomy and Parathyroidectomy*
215. Toronto, Canada, 2nd World Congress on Thyroid Cancer, July 2013 (Moderator) *Minimally Invasive Thyroid Surgery; Minimally Invasive Surgery and Thyroid Cancer: Which Patients and Which Approach?*
216. Ponte Vedra, Florida, Annual Summer Meeting of the Georgia Society of Otolaryngology-Head and Neck Surgery, July 2013 (Panelist) *Thyroid Surgery 2013: Challenges, Solutions and Pearls*
217. Bogota, Colombia, Summit on Head and Neck, Gyn and Colorectal Surgery, September 2013 (Invited Speaker) *Minimally Invasive Thyroidectomy*
218. Washington, DC, ACS 99th Annual Clinical Congress, October 2013 (Invited Speaker) *Non-Traditional Approaches to Thyroidectomy: Should we Consider Them?; Molecular Markers and the Work-Up of Thyroid Nodules: Is it Really Helpful?; Minimally Invasive Parathyroidectomy: An Appropriate Procedure* (Facilitator) *Thyroid Surgery: Tips for Staying out of Trouble*
219. Kiawah Island, South Carolina, Sea to Summit Head and Neck Conference, October 2013 (Guest Speaker) *Thyroidectomy Approaches in 2013 and Beyond*
220. Queensland, Australia, 5th Multidisciplinary Update on Thyroid and Parathyroid Surgery, November 2013 (Panelist) *The Anatomy of Thyroid Surgery and the Avoidance of Complications; Difficult Thyroid Cases; Parathyroid Problems and Cases* (Invited Speaker) *Cosmesis and Technology in Thyroid Surgery: Art Meets Science; Managing Thyroid Microcarcinoma: Let the Punishment Fit the Crime; Outpatient Thyroid Surgery; Parathyroid Surgery: Making the Most of the Rapid PTH Assay; Minimal Access Parathyroidectomy: When the Sestamibi Scan is Negative and When it is Positive; What the Surgeon Needs to Know about Parathyroid Surgery*

INVITED LECTURES (Cont'd):

221. Riyadh, Saudi Arabia, 9th International Saudi ORL Society – Head and Neck Surgery Conference, March 2014 (Guest Speaker) *Molecular Diagnostics in Thyroid Cancer: A Primer; Avoiding Disaster in Thyroid Surgery: 5 Critical Principles* (Panelist) *Challenges in Parotid Surgery*
222. Las Vegas, Nevada, Triological Society 117th Annual Meeting at COSM, May 2014 (Panelist) *Robotics – Luxury or Necessity—Thyroidectomy: Rules for the Tools*
223. Hangzhou, China, 3rd Annual Meeting of the Chinese Thyroid Association, June 2014 (Guest Speaker) *Clinical Application of Endoscopic Thyroidectomy and Prognosis*

PRESENTATIONS*:

1. **Terris DJ**, Frantz F, Bollinger RR. Experience with rabbit anti-rat thymocyte globulin. Presented at AOA Research Symposium, 1987.
2. Frantz F, **Terris DJ**, Bollinger RR. Effects of cyclosporine in allogeneic small bowel transplantation. Presented at AOA Research Symposium, 1987.
3. **Terris DJ**, Frantz F, Halperin EC, Sanfilippo F, Scroggs MW, Bollinger RR. Allogeneic small bowel transplantation with cyclosporine and whole body irradiation. Presented at International Organ Transplant Forum, 1987.
4. Whitley D, **Terris DJ**, McElveen JT. A ten-year review of acoustic neuromas at Duke and Durham VA hospitals. Presented at Duke/McPherson Symposium, 1987.
5. **Terris DJ**, Steiniger JR. *Scedosporium apiospermum*: Recurrent fungal sinusitis in an immunocompetent patient. Presented at International Contemporary Sinus Surgery Symposium, 1990.
6. **Terris DJ**, Arnstein DP. Contemporary evaluation of unilateral vocal cord paralysis. Presented at Grand Rounds, Stanford Division of Otolaryngology/Head and Neck Surgery, 1991.
7. Dunphy EP, **Terris DJ**. Computerized pO₂-histography of human tumors: Initial observations. Presented at ARCON Workshop, 1991.
8. **Terris DJ**, Minchinton AI, Dunphy EP, Brown JM. New approaches to staging of cervical adenopathy: Tumor oxygen tension. Presented at Stanford Alumni Symposium, 1991.
9. Minchinton AI, Lemon MJ, **Terris DJ**, Brown JM. Can the effectiveness of the benzotriazine SR 4233 in different tumors be predicted? - Biochemical and histological considerations. Presented at American Society of Therapeutic Radiology Meeting, 1991.
10. Giaccia AJ, Auger EA, Koong A, **Terris DJ**, Minchinton AI, Hahn GM, Brown JM. Activation of a heat shock transcriptase factor by hypoxia in normal and tumor cell lines in vivo and in vitro. Presented at American Society of Therapeutic Radiology Meeting, 1991.
11. **Terris DJ**, Minchinton AI, Dunphy EP, Brown JM. Computerized histographic oxygen tension measurements of murine tumors. Presented at International Society for Oxygen Transport to Tissues Symposium, 1991.
12. **Terris DJ**, Nguyen H, Arnstein DP. Diagnostic evaluation of vocal cord paralysis. Presented at American Academy of Otolaryngology/Head and Neck Surgery Annual Meeting, 1991.
13. **Terris DJ**, Goode RL. Costochondral pharyngeal implants for velopharyngeal insufficiency. Presented at Triological Society Meeting (Western Section), 1992.

*All presentations were made by the first author.

PRESENTATIONS (Cont'd):

14. **Terris DJ**, Kaur A. Parotid surgery: Technique, imaging, FNA, and incisions. Presented at Grand Rounds, Stanford Division of Otolaryngology/Head and Neck Surgery, 1992.
15. Fee WE Jr, **Terris DJ**. Facial nerve repair. Presented at Grand Rounds, Stanford Department of General Surgery, 1992.
16. **Terris DJ**, Minchinton AI, Dunphy EP, Brown JM. Computerized histographic characterization of changes in tissue pO₂ induced by erythropoietin. Presented at Radiation Research Society Annual Meeting, 1992.
17. Dunphy EP, **Terris DJ**. Computerized polarographic measurement of oxygen tension in human tumors. Presented at Radiation Research Society Annual Meeting, 1992.
18. **Terris DJ**, Dunphy EP. Oxygen tension measurements of head and neck cancers. Presented at Third International Conference on Head and Neck Cancer, 1992.
19. Okunieff P, Dunphy EP, **Terris DJ**, Vaupel P. The role of oxygen distribution on the radiation response of human breast carcinoma. Presented at the International Society for Oxygen Transport to Tissues Symposium, 1992.
20. **Terris DJ**, Brennan HG. A sextuplet approach to lower facial rejuvenation. Presented at the American Academy of Facial Plastic and Reconstructive Surgery Annual Meeting, 1992.
21. **Terris DJ**, Eusterman VD. Regional and free flaps in head and neck reconstruction. Presented at Grand Rounds, Stanford Division of Otolaryngology/Head and Neck Surgery, 1993.
22. **Terris DJ**, Tuffo KM, Fee WE Jr. Modified facelift incision for parotidectomy. Presented at the Triological Society Meeting (Western Section), 1993.
23. **Terris DJ**, Tuffo KM, Lalakea ML, Shinn JB. Mandible fracture repair: Specific indications for newer techniques. Presented at the Stanford Alumni Symposium, 1993.
24. **Terris DJ**, Tuffo KM, Lalakea ML, Shinn JB. Mandibular fracture repair: Indications for newer techniques. Presented at the American Academy of Otolaryngology/Head and Neck Surgery Annual Meeting, 1993.
25. Wu R, **Terris DJ**. Near-total laryngectomy: The Stanford experience. Presented at Grand Rounds, Stanford Division of Otolaryngology/Head and Neck Surgery, 1993.
26. Newman JP, **Terris DJ**, Moore M. Contemporary treatment of acute alcoholic withdrawal. Presented at the Triological Society Meeting (Western Section), 1994.

*All presentations were made by the first author.

PRESENTATIONS (Cont'd):

27. Troell RJ, **Terris DJ**. Detection of metastases from head and neck cancer. Presented at the Triological Society Meeting (Western Section), 1994.
28. Adalsteinsson E, Spielman D, Pauly J, **Terris DJ**, Sommer G, Macovski A. Lactate imaging of head and neck tumors. Presented at the Society of Magnetic Resonance Meeting, 1994.
29. Hinrichs BA, **Terris DJ**. Fungal parotitis: A poorly described entity. Presented at the American Academy of Otolaryngology/Head and Neck Surgery Annual Meeting, 1994.
30. **Terris DJ**, Wu R, Fee WE Jr. Total laryngectomy: An outdated procedure for most larynx cancer patients? Presented at the Stanford Alumni Symposium, 1994.
31. **Terris DJ**, Norbash AM, Clerk A, Troell RJ. Characterization of postoperative edema following LAUP and its impact on obstructive sleep apnea. Presented at the Triological Society Meeting (Western Section), 1995.
32. Moir M, **Terris DJ**. Autologous perioperative blood use for head and neck cancer surgery. Presented at the Triological Society Meeting (Western Section), 1995.
33. Newman JP, **Terris DJ**, Pinto HA, Goffinet DR, Fee WE Jr. Surgical salvage and morbidity in an organ sparing protocol for advanced head and neck cancer. Presented at the Triological Society Meeting (Western Section), 1995.
34. Vaughan W, **Terris DJ**. Medical-legal issues in Otolaryngology/Head and Neck Surgery. Presented at Grand Rounds, Stanford Division of Otolaryngology/Head and Neck Surgery, 1995.
35. **Terris DJ**. Aesthetic parotid surgery. Presented at Grand Rounds, Stanford Department of General Surgery, 1995.
36. Urban KG, **Terris DJ**. Percutaneous endoscopic gastrostomy (PEG) by head and neck surgeons. Presented at the American Academy of Otolaryngology/Head and Neck Surgery Annual Meeting, 1995.
37. **Terris DJ**, Goode RL. Laser assisted uvulopalatoplasty and other surgery for snoring. Presented at the American Academy of Otolaryngology/Head and Neck Surgery Annual Meeting, 1995.
38. Liboon J, Funkhauser WF, **Terris DJ**. A comparison of mucosal incisions made by scalpel, carbon dioxide laser, electrocautery and voltage modulated electrocautery. Presented at the American Academy of Otolaryngology/Head and Neck Surgery Annual Meeting, 1995.

*All presentations were made by the first author.

PRESENTATIONS (Cont'd):

39. Utley DS, Cheng ET, Lewin S, Verity AN, **Terris DJ**. Brain-derived neurotrophic factor and collagen tubulization enhance peripheral nerve regeneration. Presented at the American Academy of Otolaryngology/Head and Neck Surgery Annual Meeting, 1995.
40. Newman JP, Verity AN, Hawatmeh S, Fee WE Jr, **Terris DJ**. Ciliary neurotrophic factor enhances peripheral nerve regeneration. Presented at the American Academy of Facial Plastic and Reconstructive Surgery Annual Meeting, 1995.
41. **Terris DJ**. Manipulation of the regenerating nerve microenvironment. Presented at Stanford Alumni Symposium, 1995.
42. Urban KG, **Terris DJ**. The use of percutaneous gastrostomy in head and neck surgery. Presented at Stanford Alumni Symposium, 1995.
43. Norbash AM, Gilani S, **Terris DJ**. MRI changes in the palate and pharyngeal airway demonstrated following laser assisted uvulo-pharyngoplasty (LAUP). Presented at Western Neuro Annual Meeting, 1995.
44. Norbash AM, Rubin GD, Ringl H, Gilani S, **Terris DJ**. Virtual sinus endoscopic fly-through using volume rendered helical CT. Presented at Western Neuro Annual Meeting, 1995.
45. Wilson DJ, Kloss JM, Prior JJ, Sierra DH, **Terris DJ**. Composite tissue adhesive as a hemostatic agent for parenchymatous trauma. Presented at Fifth World Biomaterials Congress, 1996.
46. Kloss JM, Utley DS, **Terris DJ**, Sierra DH. Functional recovery using cross-linked collagen tubulization for neurotrophic factor delivery in a rat peripheral nerve model. Presented at the Fifth World Biomaterials Congress, 1996.
47. Lee CM, Hinrichs BA, **Terris DJ**. Upper endoscopy: Is routine hospital admission warranted? Presented at the Triological Society Meeting (Western Section), 1996.
48. Newman JP, **Terris DJ**, Clerk A. Diagnosis and management of the upper airway resistance syndrome. Presented at the Triological Society Meeting (Western Section), 1996.
49. Gilani S, Norbash AM, Rubin G, Ringl H, **Terris DJ**. Virtual sinus endoscopic fly through using volume rendered helical CT. Presented at the Triological Society Meeting (Western Section), 1996.
50. Cheng ET, Utley DS, Ho PR, Tarn DM, Lewin SL, Verity AN, **Terris DJ**. Functional recovery following nerve injury and repair by silicon tubulization: comparison of laminin-fibronectin, dialyzed plasma, collagen gel, and phosphate-buffered saline. Presented at the American Society for Reconstructive Microsurgery (11th Annual Meeting), 1996.

*All presentations were made by the first author.

PRESENTATIONS (Cont'd):

51. Utley DS, Cheng ET, Lewin S, Verity AN, **Terris DJ**. Brain-derived neurotrophic factor and collagen tubulization enhance functional recovery after peripheral nerve transection and repair. Presented at the American Society for Reconstructive Microsurgery (11th Annual Meeting), 1996.
52. Utley DS, **Terris DJ**. A rational and cost-effective approach to the treatment of snoring, the upper airway resistance syndrome, and mild and moderate obstructive sleep apnea syndrome. Presented at the Triological Society Annual Meeting, 1996.
53. Norbash AM, Gilani S, Ringl H, Rubin G, Napel S, **Terris DJ**. Computer generated paranasal sinus endoscopy through perspective volume rendering of helical CT data. Presented at the Annual Meeting of the Radiological Society of North America, 1996.
54. Lewin SL, Utley DS, Cheng ET, **Terris DJ**. BDNF and CNTF enhance functional recovery after peripheral nerve injury and repair. Presented at the American Academy of Facial Plastic and Reconstructive Surgery Spring Meeting, 1996.
55. Newman JP, Dagum P, Pinto HA, **Terris DJ**, Goffinet DR, Fee WE Jr. Pathologic findings in clinically positive neck disease after chemoradiotherapy for organ preservation in advanced head and neck cancer. Presented at the Fourth International Conference on Head and Neck Cancer, 1996.
56. Vaughan W, Fee WE Jr, **Terris DJ**. Head and neck cancer in patients without identifiable risk factors. Presented at the Fourth International Conference on Head and Neck Cancer, 1996.
57. Pinto HA, Goffinet DR, **Terris DJ**, Fee WE Jr. Organ preservation using induction chemotherapy followed by simultaneous chemoradiotherapy in advanced resectable head and neck cancer. Presented at the Fourth International Conference on Head and Neck Cancer, 1996.
58. Cheng ET, Ho PR, Tarn DM, Utley DS, Coan GM, Verity AN, Sierra DH, **Terris DJ**. Regeneration of nerves repaired by tubulization and treated with brain derived neurotrophic factor (BDNF) and ciliary neurotrophic factor (CNTF). Presented at the Fourth International Conference on Head and Neck Cancer, 1996.
59. Yao M, Utley DS, **Terris DJ**. Cephalometric parameters following multi-level obstructive sleep apnea surgery. Presented at the Triological Society Meeting (Western Section), 1997.
60. Hanasono M, Urban K, Norbash AM, **Terris DJ**. Sphenoid pneumoceles cause episodic pressure-related blindness. Presented at the Triological Society Meeting (Western Section), 1997.

* All presentations were made by the first author.

PRESENTATIONS (Cont'd):

61. **Terris DJ.** Sleep apnea and the anaesthesiologist. Presented at Grand Rounds, Stanford Department of Anaesthesia, 1996.
62. **Terris DJ,** Fincher EF, Hanasono MM, Fee WE, Adachi K. Conservation of resources: Indications for intensive care monitoring after surgery for sleep-disordered breathing. Presented at the Triological Society Annual Meeting (Centennial), 1997.
63. Ho PR, **Terris DJ,** Coan GM, Niel C, Tarn M, Zhou H. BDNF and CNTF can be simultaneously delivered to regenerating nerves by crosslinkage to collagen tubules. Presented at the Annual Meeting of the American Academy of Facial Plastic and Reconstructive Surgery, 1997.
64. Adam MF, Bloch DA, Brown JM, Dorie MJ, Hancock SL, Kim CY, Gabalski EC, Kovacs MS, Pinto HA, Tate D, **Terris DJ.** Comparison of the comet assay and pO₂ histogram as methods of measuring patient tumor oxygenation. Presented at the Annual Meeting of the Radiation Research Society, 1997.
65. Dorie MJ, Adam MF, Brown JM, Bloch DA, Hancock SL, Kim CY, Gabalski EC, Kovacs MS, Pinto HA, Tate D, **Terris DJ.** Comparison of pre-treatment tumor oxygenation with tirapazamine-induced DNA damage assessed using the comet assay in patients with head and neck cancer. Presented at the Annual Meeting of the Radiation Research Society, 1997.
66. **Terris DJ.** Surgery for sleep disordered breathing. Presented at Grand Rounds, Stanford Department of Surgery, 1997.
67. **Terris DJ.** Balanced decompression for Graves' disease: The endoscopic component. Presented at Grand Rounds, Stanford Department of Ophthalmology, 1997.
68. **Terris DJ.** Management of airway obstruction in post-surgical patients. Presented at Grand Rounds, Stanford Department of Anaesthesia, 1997.
69. Yao M, **Terris DJ.** Cephalometric parameters in sleep-disordered breathing. Presented at Grand Rounds, Stanford Division of Otolaryngology/Head and Neck Surgery, 1997.
70. Samy RN, **Terris DJ.** Controversies: Blood transfusion and recurrence of head and neck cancer. Presented at the Stanford Annual Symposium, 1997.
71. Yao M, **Terris DJ.** Neural regeneration. Presented at the Stanford Annual Symposium, 1997.
72. **Terris DJ.** Conservation of Resources: Indications for intensive care after obstructive sleep apnea surgery. Presented at the Stanford Annual Symposium, 1997.

* All presentations were made by the first author

PRESENTATIONS (Cont'd):

73. Pinto HA, **Terris DJ**, Goffinet DR, Tate DJ, Brown JM. Randomized trial of tirapazamine, cisplatin and fluorouracil as induction chemotherapy and simultaneous chemoradiotherapy for organ preservation in advanced head and neck cancer. Presented at the AACR, 1998.
74. Pinto HA, **Terris DJ**, Goffinet DR, Tate DJ, Brown JM. Randomized trial of tirapazamine, cisplatin and fluorouracil as induction chemotherapy and simultaneous chemoradiotherapy for organ preservation in advanced head and neck cancer. Presented at the Eighth International Congress on Anticancer Treatment, 1998.
75. Gabalski EC, Adam MF, **Terris DJ**. Pretreatment and midtreatment measurement of oxygen tension levels in head and neck cancers. Presented at the Triological Society Meeting (Western Section), 1998.
76. Shepard KG, Levin PS, **Terris DJ**. Endoscopically-assisted orbital decompression for Graves' orbitopathy. Presented at the Triological Society Meeting (Western Section), 1998.
77. Spielman DM, Star-Lack JM, Adalsteinsson E, **Terris DJ**, Adam M, Pinto H. In vivo lactate and choline levels in head and neck tumors: correlations with pO₂ measurements. Presented at the International Society for Magnetic Resonance in Medicine, Sixth Scientific Meeting, 1998.
78. Star-Lack JM, Adalsteinsson E, **Terris DJ**, Spielman DM. In vivo lactate editing with simultaneous detection of choline in human head and neck tumors at 1.5t using press excitation. Presented at the International Society for Magnetic Resonance in Medicine, Sixth Scientific Meeting, 1998.
79. **Terris DJ**. Surgical and non-surgical management of sinusitis and complications of sinusitis. Presented at Grand Rounds, Stanford Department of Medicine, 1998.
80. **Terris DJ**. Surgical management of radiation-injured tissues in the head and neck. Presented at Grand Rounds, Stanford Department of Radiation Oncology, 1998.
81. Ho PR, Inserra MM, Lineaweaver WC, **Terris DJ**, Quantifying nerve tension and its effect on sciatic function. Presented at the Annual Meeting of the California Society of Plastic Surgeons, 1998.
82. Le QT, Pinto HA, Tate D, **Terris DJ**, Gabalski EC, Fee WE Jr, Bloch DA, Brown JM, Goffinet D. A randomized phase II trial of tirapazamine in advanced squamous cell carcinoma of the head and neck: a preliminary report of radiation related toxicity. Presented at the Annual Meeting of the American Society for Therapeutic Radiation Oncology, 1998.

* All presentations were made by the first author.

PRESENTATIONS (Cont'd):

83. **Terris DJ**, Adam MF, Gabalski E, Dorie MJ, Star-Lack J, Spielman D, Bloch DA, Brown JM. Evaluating tumor hypoxia: comparison of novel methods. Presented at the Fifth Research Workshop on the Biology, Prevention and Treatment of Head and Neck Cancer, 1998.
84. Adam MF, Dorie MJ, Gabalski EC, **Terris DJ**, Star-Lack JM, Spielman DH, Bloch DA, Brown JM. Oxygenation of head and neck lymph node metastases: comparison of the pO₂ histogram with the comet assay and with MRS lactate levels. Presented at the Annual Meeting of the American Society for Therapeutic Radiation Oncology, 1998.
85. Moir M, Wang M, To M, **Terris DJ**. Delayed repair of transected nerves: effect of brain-derived neurotrophic factor. Presented at the Annual Meeting of the American Society for Peripheral Nerve, 1998.
86. Inserra MM, Ho PR, Lineaweaver WC, **Terris DJ**. Quantifying nerve tension and its effect on sciatic function. Presented at the Fifteenth Annual Stanford Medical Student Research Symposium, 1998.
87. Ho PR, Inserra M, Zhang F, Lineaweaver W, **Terris DJ**. Quantifying nerve tension and its effect on sciatic function. Presented at the Sixty-seventh Annual Scientific Meeting of the American Society of Plastic and Reconstructive Surgeons, 1998.
88. Pinto HA, Goffinet DR, **Terris DJ**, Fee WE. Organ preservation using induction chemotherapy followed by simultaneous chemoradiotherapy in advanced resectable head and neck cancer. Presented at the Annual Meeting of the American Society of Clinical Oncology, 1999.
89. Hanasono MM, Kunda L, Segall G, **Terris DJ**. Indications for use of FDG positron emission tomography to evaluate patients with head and neck cancers. Presented at the Triological Society Meeting (Western Section), 1999.
90. **Terris DJ**. Cosmetic enhancement associated with surgery for obstructive sleep apnea. Presented at the Triological Society Meeting (Western Section), 1999.
91. Yao M, Moir MS, Wang MZ, To MP, **Terris DJ**. Sciatic nerve regeneration in CNTF knockout mice. Presented at the Annual Meeting of the American Academy of Facial Plastic and Reconstructive Surgery, 1999.
92. **Terris DJ**. Surgical management of the tongue base in obstructive sleep apnea. Presented at Grand Rounds, Stanford Department of Sleep Medicine, 1999.
93. Inserra MM, **Terris DJ**. Functional analysis of nerve regeneration in IL-6 knockout mice. Presented at the Annual Meeting of the American Academy of Otolaryngology/Head and Neck Surgery, 1999.

* All presentations were made by the first author

PRESENTATIONS (Cont'd):

94. **Terris DJ.** Endoscopy: Virtual and real. Presented at Grand Rounds, Stanford Department of General Surgery, 1999.
95. **Terris DJ.** Partial laryngeal cancer surgery. Presented at Grand Rounds, Stanford Department of Radiation Oncology, 1999.
96. Hanasono MM, **Terris DJ**, Liu YC. Reliability of the Muller maneuver and association with sleep-disordered breathing. Presented at the Triological Society Meeting (Western Section), 2000.
97. Pollard J, Hanasono MM, Mikulec A, **Terris DJ.** Head and neck cancer in cardiothoracic transplant recipients. Presented at the Triological Society Meeting (Western Section), 2000.
98. Kunda L, **Terris DJ.** Minimally invasive tongue base surgery for obstructive sleep apnea. Presented at the Annual Meeting of the Triological Society, 2000.
99. **Terris DJ.** Head and neck cancer: The importance of oxygen. Presented at the Annual Meeting of the Triological Society, 2000.
100. **Terris DJ**, Chen V. Occult mucosal injuries with radiofrequency ablation of the palate. Presented at the Annual Meeting of the American Academy of Otolaryngology/Head and Neck Surgery, 2000.
101. Koong AC, **Terris DJ**, Le QT. Hemoglobin levels in patients with advanced head and neck cancer do not correlated with tumor hypoxia. Presented at the Annual Meeting of the American Society of Therapeutic Radiation and Oncology, 2000.
102. **Terris DJ**, Ho EY, Ibrahim HZ, Dorie MJ, Kovacs MS, Le QT, Koong AC, Pinto HA, Brown JM. Evaluation of hypoxia in neck nodes of head and neck cancer patients using the comet assay. Presented at the Fifth International Congress on Head and Neck Cancer, 2000.
103. Nordsmark M, Rudar V, Lartigau E, Stadler P, Becker A, Adam M, Molls M, Dunst J, **Terris DJ**, Overgaard J. Tumor hypoxia is prognostic of survival in patients with advanced head and neck carcinoma treated by radiotherapy: An international multi-centre study. Presented at the Annual Meeting of the International College of Radiation Oncology, 2001.
104. **Terris DJ.** Head and neck cancer. Presented at Grand Rounds, Stanford Department of Oncology, 2000.
105. Lin HS, Ibrahim HZ, Kheng JW, Fee WE, **Terris DJ.** Percutaneous endoscopic gastrostomy: Strategies for prevention and management of complications. Presented at the Triological Society Meeting (Western Section), 2001.

* All presentations were made by the first author

PRESENTATIONS (Cont'd):

106. **Terris DJ**. Surgery for Sleep Apnea. Presented at Grand Rounds, Stanford Department of Surgery, 2001.
107. **Terris DJ**, Coker J, Thomas A, Chavoya M. Prospective, randomized comparison of laser-assisted uvulopalatoplasty and radiofrequency ablation of the palate. Presented at the Annual Meeting of the Association for Professional Sleep Societies, 2001.
108. **Terris DJ**, Coker J, Thomas A, Chavoya M. Preliminary findings from the first prospective, randomized trial of surgery for sleep-disordered breathing. Presented at the Annual Meeting of the American Academy of Otolaryngology-Head and Neck Surgery, 2001.
109. **Terris DJ**, Shepard KG. Percutaneous endoscopic gastrostomy for the head and neck surgeon. Course presented at the Annual Meeting of the American Academy of Otolaryngology-Head and Neck Surgery, 2001.
110. Lee KJ, Fee WE, Terris DJ. The efficacy of corticosteroids in post-parotidectomy facial nerve paresis. Presented at the Triological Society Meeting (Western Section), 2002.
111. **Terris DJ**, Ho EY, Ibrahim HZ, Dorie MJ, Kovacs MS, Le QT, Koong AC, Pinto HA, Brown JM. Estimating DNA repair by sequential evaluation of head and neck tumor radiation sensitivity using the comet assay. Presented at the Annual Meeting of the Triological Society, 2002.
112. Thomas AJ, Chavoya M, **Terris DJ**. Prospective, randomized trial of tongue base surgery for sleep apnea. Presented at the Annual Meeting of the American Academy of Otolaryngology/Head and Neck Surgery, 2002.
113. **Terris DJ**, Monfared A, Saenz Y, Brucker D. Endoscopic Neck Surgery: Successful resection of the submandibular gland in a porcine model. Presented at the Annual Meeting of the American Academy of Otolaryngology/Head and Neck Surgery, 2002.
114. Monfared A, Saenz Y, **Terris DJ**. Selective neck dissection in a porcine model. Presented at the Annual Meeting of the American Academy of Otolaryngology/Head and Neck Surgery, 2002.
115. Lin HS, Wang D, Fee WE, Goode RL, **Terris DJ**. Airway management after maxillectomy: Routine tracheostomy is unnecessary. Presented at the Middle Section Meeting of the Triological Society, 2003.
116. Haus BM, Le D, Kambham N, Gourin C, Moll F, **Terris DJ**. Surgical robots in otolaryngology: Experience with the daVinci surgical system. Presented at the Southern Section Meeting of the Triological Society, 2003.

* All presentations were made by the first author

PRESENTATIONS (Cont'd):

117. **Terris DJ**, Haus BM, Saenz Y, Gourin C. Endoscopic neck surgery: Resection of the submandibular gland in a cadaver model. Presented at the Southern Section Meeting of the Triological Society, 2003.
118. Blankenship DR, Gourin CG, Davis WB, Blanchard AR, Seybt MW, **Terris DJ**. Percutaneous tracheostomy: Don't beat them, join them. Presented at the Southern Section Meeting of the Triological Society, 2004.
119. **Terris DJ**, Nettar K, Ciecko S, Haus B, Gourin CG. Prospective evaluation of endoscopic approaches to the thyroid compartment. Presented at the Southern Section Meeting of the Triological Society, 2004.
120. Gourin CG, Wade Z, Hessler RB, Abdel-Sayed R, Rogers J, Hester D, **Terris DJ**. Syndecan-1 expression in oral dysplasia and malignancy. Presented at the 6th International Congress on Head and Neck Cancer, 2004.
121. **Terris DJ**, Haus GM, Gourin CG, Lilagan P, Moll F. Endorobotic resection of the submandibular gland in a cadaver model. Presented at the 6th International Congress on Head and Neck Cancer, 2004.
122. Walker RP, Levine HL, **Terris DJ**, Hopp ML, Butler DM. Soft palate implants: A new treatment for obstructive sleep apnea? Presented at the Annual Meeting of the American Academy of Otolaryngology/Head and Neck Surgery, 2004.
123. **Terris DJ**, Gourin CG. PEG for dummies: Why and how you should be doing them. Presented at the Annual Meeting of the American Academy of Otolaryngology/Head and Neck Surgery, 2004.
124. **Terris DJ**, Faust RA, Melder PC, Gourin CG. Robotic surgery in otolaryngology: A look into the future. Presented at the Annual Meeting of the American Academy of Otolaryngology/Head and Neck Surgery, 2004.
125. **Terris DJ**, Bonnet A, Gourin CG, Chin E. Minimally invasive thyroidectomy using the Sofferman technique. Presented at the Southern Section Meeting of the Triological Society, 2005.
126. **Terris DJ**, Blankenship DR, Kulbersh B, Blanchard AR, Gourin CG. High risk tracheostomy: Exploring the limits of the percutaneous tracheostomy. Presented at the Southern Section Meeting of the Triological Society, 2005.
127. Neyman KM, Gourin CG, **Terris DJ**. Alcohol withdrawal prophylaxis in patients undergoing surgical treatment of head and neck squamous cell carcinoma. Presented at the Southern Section Meeting of the Triological Society, 2005.

* All presentations were made by the first author

PRESENTATIONS (Cont'd):

128. Gourin CG, McAfee WJ, Neyman KM, Jones LT, **Terris DJ**. Impact of comorbidity and quality of life on treatment selection in patients with squamous cell carcinoma of the head and neck. Presented at the Southern Section Meeting of the Triological Society, 2005.
129. Jackson LL, Gourin CG, Thomas D, Blankenship DR, Klippert FN, **Terris DJ**. Use of the harmonic scalpel in superficial and total parotidectomy for benign and malignant disease. Presented at the Southern Section Meeting of the Triological Society, 2005.
130. **Terris DJ**, Haus BM, Lilagan PE, Moll F. Endo-robotic resection of the submandibular gland in a cadaver model. Presented at the Annual Meeting of the American Head and Neck Society, 2005.
131. Pang K, **Terris DJ**, Dillard T, Gourin CG, Blanchard A, Podolsky R. A comparison of polysomnography and the SleepStrip in the diagnosis of obstructive sleep apnea. Presented at the Annual Meeting of the American Academy of Otolaryngology/Head and Neck Surgery, 2005.
132. Walker RP, Levine HL, **Terris DJ**, Hopp ML, Greene D. Palatal implants: A new approach for the treatment of obstructive sleep apnea. Presented at the Annual Meeting of the American Academy of Otolaryngology/Head and Neck Surgery, 2005.

PRESENTATIONS (Cont'd):

150. Seybt MW, **Terris DJ**. Geriatric Thyroidectomy: The Safety of Thyroid Surgery in an Aging Population. Presented at the Annual Meeting of the American Society of Geriatric Otolaryngology, 2008.
151. Weinberger PM, Bollag RJ, Lee JR, **Terris DJ**. Recursive partitioning analysis reveals molecular signature for distinguishing thyroid carcinoma from benign disease. Presented at the 7th International Conference on Head and Neck Cancer, 2008.
152. Seybt MW, Loftus KA, Rader K, Mulloy A, **Terris DJ**. Use and misuse of IOPTH levels during parathyroidectomy. Presented at the Annual Meeting of the American Academy of Otolaryngology/ Head and Neck Surgery, 2008.
153. Pang KP, **Terris DJ**. Modified cautery assisted palatopathy in OSA: 3-year results. Presented at the Annual Meeting of the American Academy of Otolaryngology/ Head and Neck Surgery, 2008.
154. Seybt MW, Vaughters RB, **Terris DJ**. Lingual thyroidectomy: Endoscopic and harmonic assisted. Presented at the Southern Section Meeting of the Triological Society, 2009.
155. Seybt MW, Todd JT, **Terris DJ**. Minimally invasive thyroid surgery in children. Presented at the Southern Section Meeting of the Triological Society, 2009.
156. Khichi SA, **Terris DJ**, Anderson SK, El-Choufi MA, Seybt MW. Reoperative thyroidectomy for benign thyroid disease: The diminishing role of subtotal thyroidectomy. Presented at the Southern Section Meeting of the Triological Society, 2009.
157. Perakis H, Seybt MW, Todd T, Troiani B, **Terris DJ**. Predicting post-thyroidectomy hypocalcemia: Racial Differences in pre-surgical levels of vitamin D. Presented at the Annual Meeting of the American Head and Neck Society, 2009.
158. Khichi SS, Weinberger PM, Udoff RA, Norton JA, **Terris DJ**. Evaluation in benign and malignant thyroid disease. Presented at the Combined Sections Meeting of the Triological Society, 2010.
159. **Terris DJ**, Seybt MW. Endoscopic thyroidectomy – Modifications of the Miccoli technique for the low volume surgeon. Presented at the Combined Sections Meeting of the Triological Society, 2010.
160. Seybt MW, Kuppersmith RB, Holsinger FC, **Terris DJ**. Robotic axillary thyroidectomy: Multi-institutional clinical experience with the da Vinci. Presented at the Combined Sections Meeting of the Triological Society, 2010.

* All presentations were made by the first author

PRESENTATIONS (Cont'd):

161. **Terris DJ**, Seybt MW, Farrag T, Weinberger PM. Point-of-care rapid IOPTH assay of needle aspirates from parathyroid tissue: A substitute for frozen sections. Presented at the 14th International Thyroid Congress of the American Thyroid Association, 2010.
162. **Terris DJ**, Singer MC. Poor man's telemedicine: Exploiting technology in the iPhone era. Presented at the Combined Sections Meeting of the Triological Society, 2011.
163. **Terris DJ**, Seybt MW, Singer MC. Robotic facelift thyroidectomy: A safer, easier and faster approach. Presented at the Combined Sections Meeting of the Triological Society, 2011.
164. Farrag TY, Weinberger PM, Seybt MW, **Terris DJ**. Intraoperative parathyroid hormone monitoring: Advantages of a new on-site assay. Presented at the Combined Sections Meeting of the Triological Society, 2011.
165. Singer MC, Iverson K, **Terris DJ**. Thyroidectomy related malpractice claims are rare. Presented at the Annual Meeting of the American Academy of Otolaryngology-Head and Neck Surgery, 2011.
166. **Terris DJ**, Singer MC, Seybt MW. Differences between two robotic thyroidectomy techniques. Presented at the Annual Meeting of the American Academy of Otolaryngology-Head and Neck Surgery, 2011.
167. Singer MC, Seybt MW, **Terris DJ**. Calcium management after thyroidectomy: A simple and cost-effective method. Presented at the Annual Meeting of the American Academy of Otolaryngology-Head and Neck Surgery, 2011.
168. Singer MC, Heffernan AT, **Terris DJ**. Defining anatomical landmarks for robotic facelift thyroidectomy. Presented at the Combined Sections Meeting of the Triological Society, 2013.
169. Bush CM, Singer MC, Haskins A, **Terris DJ**. Incision site planning for thyroid compartment surgery: Relevance of patient positioning. Presented at the Combined Sections Meeting of the Triological Society, 2013.
170. White JR, Singer MC, Duke WS, Chin E, **Terris DJ**. Six-year experience with video-assisted thyroidectomy: Outcomes and safety profile. Presented at the Annual Meeting of the American Academy of Otolaryngology-Head and Neck Surgery, 2013.
